

Second Fiddle Husband

© 2018 Hannah Untereiner

Verse 1

Top of my class
Job meant to last
Putting the bread in winner
There's more to life
Than housework & strife
When I come home to dinner

He's a stay-at-home dad with kids on his lap
Run of the mill, say what you will
Dinner at six, homework at eight
He tucks them in when I get home late

A partner in crime
Unconventional find

Chorus:

Don't we all just love them
Want to have one of them
Second fiddle husband

Verse 2

I'm the CEO
But he's the VIP
He takes care of me
First-rate heart
He's whip smart
And he chose the supporting part

He's a stay-at-home dad with kids on his lap
Run of the mill, say what you will
Dinner at six, homework at eight
He tucks them in when I get home late

From death do us part
My career went off the charts

Chorus

Don't we all just love them
Want to have one of them
Second fiddle husband

Verse 3

A model pair
Home-made child care
I bring home the bacon
A faithful husband
Friends all love him
He does the home makin'

He's a stay-at-home dad with kids on his lap
Run of the mill, say what you will
Dinner at six, homework at eight
He tucks them in when I get home late

My dad disapproves
But I set my rules

Chorus (x2)

Don't we all just love them
Want to have one of them
Second fiddle husband
